MEDICAL MASK

PRODUCT DESCRIPTION

Made of high-quality cotton and non-woven filter cloth, the three-layer filtration system of the safety mouth covers effectively prevents dust, PM 2.5 and a series of airborne pollutants. Multiple protections to block dust, harmful substances, gases and odors, and reduce infections.

COMFORTABLE FULL PROTECTION

The 3 layers protective mouth cover masks are light and not bulky. The comfortable material allows you to wear them for a long time without rubbing your face with good elastic ear-loop. The surgical disposable face masks cover your nose, mouth and chin, offering you full protection. One size for most adult men or women.

WIDE APPLICATION

The professional surgical mouth cover masks are suitable for procedure mask, flu face mask, allergy mask, pollen mask, pollution mask, gardening work, dental clinic, pet grooming, nail shop, home cleaning, flu, dust protectors, dentists, salons, cold weather, general maintenance and more. Great for painting, construction, building site, nail salons, dental uses, fog and haze weather, gray sky, flu season, dust weather, snow weather and more.

QUALITY MATERIALS

These dental grade 3 ply face masks are comprised of 3 micro-fiber electrostatic polypropylene layers. Hypoallergenic with no latex or fiberglass components.

UNIVERSAL SIZE

The one size fits all lightweight pleated layer design with adjustable nose seal insure a comfortable fit for anyone. The elastic ear loops stretch to accommodate any wearer and provides a secure fit.

PACKAGE CONTENTS

The package contains 50pcs blue face masks. .
